**SIMPSON HOUSING SERVICES**

**2009 Annual Report**

**D**an Poorman, 2009 President of the Simpson Board of Directors and Executive Director Julie Manworren with the 2009 Minnesota Nonprofit Award for Excellence in a Large Organization.

In qualifying for the award, Simpson demonstrated an alignment with MCN's Principles and Practices for Nonprofit Excellence, in the role that a nonprofit plays in society, in governance, planning, transparency and accountability.

**Our mission is to house, support and advocate for people experiencing homelessness.**

## dear friends,

**A** friend of Simpson has written a children's book that will soon be published. He is contributing the first \$10,000 of profit to sustain our work with people experiencing homelessness. Another supporter asked friends and colleagues to sponsor her run in a marathon, donating all funds to our cause. These gifts, in addition to the countless others made by individuals, faith communities, corporations, and foundations, make an impact.

The Bright Horizon Childcare and Walman Optical staff joined to re-create four spaces that are used by children and youth in our family housing programs. Dedicated volunteers stay overnight at the shelter and hundreds of groups come to cook in the kitchen, adding warmth and liveliness to the evening meal. These volunteers contributed to the total of 32,000 hours of time given in 2009. Every hour makes an impact.

Every contribution nourishes the lives of families and individuals in our programs. We are changing lives and bettering our community in partnership with one another. Please take a moment to review the positive impact of your participation.

Together we are creating the history of Simpson Housing Services. Thank you for adding your unique and meaningful contributions.

We welcome your visit or phone call.

Dan Poorman | 2009 Board President

Julie Manworren | Executive Director

*l to r.* Simpson Celebrates Community You Are Remarkable Award recipient Yvonne and Housing Specialist Breanne McNeil.

**W**omen's Housing Partnership staff member Breanne McNeil describes Yvonne as: "A very strong, kind-hearted, loving, and smart woman."

Yvonne is a former shelter guest and one of the first participants in the Women's Housing Partnership. She has been housed for a year and a half in the same apartment. Even while she was experiencing homelessness and staying at the women's shelter, she held down her job in food service at the metro dome.

Yvonne is attending Minneapolis Community and Technical College where she will soon graduate. She has reconnected and has grown closer to her three children and her grandchildren, who she now happily sees on a regular, ongoing basis.

Housing Specialist Breanne adds: "This woman has endured many hard times and has taken the good out of these hardships and created a better life for herself."

**2000** Transitional Housing grows from helping 26 to 40 families.

# shelters

**G**uests at our men's and our women's shelters receive a bed, three meals, a shower, laundry, access to health care, and advocacy as they search to find a permanent home.

Every night of the year, 40 guests stay at our men's shelter and 20 guests stay at our women's shelter.

## Overall in 2009

### Simpson Men's Shelter

- 1,099 came to the Monday night lottery for overnight shelter and 591 men received a bed.
- 849 individuals accessed services other than shelter (mail, dinner, a nurse visit).
- 92 men moved directly from the shelter into permanent or transitional housing.

### Simpson Women's Shelter

- 257 women received a bed.
- 647 needed to be turned away due to lack of space.

### The Simpson Rapid Exit program

The Simpson Rapid Exit program is dedicated to swiftly moving guests from the shelters into housing. Clients tend to have been homeless for a shorter amount of time and have fewer barriers to housing.

- 75 clients were housed in 2009.
- Clients in the program had an average monthly income of \$1,065.

# single adult housing

**T**he Single Adult Rental Assistance (SARA) program began in 2005 and has served over 30 men and women who have experienced an average length of 14 years of homelessness prior to the program.

## Overall in 2009

- 70% of participants in the program have maintained housing without returning to shelter or homelessness.

**T**he Women's Housing Partnership is the single adult housing program that places the most frequent guests from our women's shelter into housing with ongoing support services.

## Overall in 2009

- 30 single adult women were served.
- Average length of homelessness was 8 years prior to the program
- 86% of participants in the program have maintained housing without returning to shelter or homelessness.

Through our five Collaboration of Housing Resources (COHR) teams, a total of 110 long-term homeless women are currently enrolled in adult housing programs.

**S**helter advocate Robert Hoffman, left, and former shelter guest Sam. Sam had stayed at the Simpson Men's Shelter for a night here and there over the last few years, but "won" a 28-day bed in February of 2009.

"When you don't have to worry about where you're going to sleep, eat, and shower each night, it allows you to focus on some other things. Knowing where you're going to sleep each night gives you some peace of mind. It makes you feel like you belong somewhere," he said.

Robert worked with Sam to help him overcome his barriers to maintaining housing. Sam is currently working and is in his own home.

**2001** The Simpson savings program provides shelter guests the opportunity to save a portion of their income to help get into housing.

**2001** Soar program for kids intensifies work with families.

**2002** The Rental Assistance program is added to assist families from our Transitional Housing program.

**2005** Single Adult Rental Assistance (SARA) program begins working with long-term homeless men and women. Thirty adults are housed.

**2005** SSS Fund helps establish a savings program with a match for families.

**2006** Through the Family Roots Alliance, with Lutheran Social Services, we are serving an additional 42 long-term homeless families.

**2006** Simpson is contracted to provide support services at the ZOOM House apartments in south Minneapolis.

**2006** The Simpson Celebrates Community awards are established to recognize outstanding Simpson program participants, volunteers and community partners.

# family housing

**J**essica and her children Carmen, Krystal, and Louis Jr. really enjoyed the Family Housing Holiday Party. The family housing social outings are great opportunities for families in our programs to connect with one another.

Jessica is currently working part time at a daycare and is completing her G.E.D. so that she can become a full time lead teacher.

The family is currently moving from Transitional Housing into our Elliot Park apartments.

**I**n 2009, we continued our work with families whose long periods of homelessness and precarious housing stem from challenges such as institutional racism, generational poverty, family violence, mental illness, and chemical dependency.

We saw an increase in the need for transitional and supportive housing for families in 2009, with an average number of 93 families calling every week for one program opening (an increase of over 20 families a week).

The number of parents reporting homelessness due to foreclosures and lack of employment opportunities increased as well.

## Overall in 2009

- 204 families with 516 children were served. This is a total of 777 participants, including the Family Roots Alliance, our partnership with Lutheran Social Service.
- 98% of former participants had no evictions at one year from exit.
- In our transitional housing program, 71% of families moved to permanent housing at exit.
- In our long-term supportive housing program, 75% of families maintained housing for one year.
- 88% of K-5th grade students demonstrated progress in reading skills after one year or longer in the program.
- 70% of children attended school at least 90 percent of the time during the 2008-2009 school year.

**In 2009, we received new funding from the Greater Twin Cities United Way. "Reading by 3rd Grade" is an initiative whose goal is to increase the percent of students from low income families reading at grade level by the end of 3rd grade to 80% by 2012.**

**A**lexyss and her mother SueAnn at the School Readiness Workshop. After seventeen months, Alexyss' family recently graduated from the transitional housing program and moved into permanent, subsidized housing.

While in the program, Alexyss maintained 95% school attendance and attended the reward outings to Valleyfair and Nickelodeon Universe.

While in the program, SueAnn was able to increase her family's income through increased Social Security benefits. All the family members are avid volunteers at their church.

**2006** The COHR team is formed. 61 long-term homeless men and women are placed into housing.

**2007** The new Women's Housing Partnership begins placing single adult women from our shelter into housing.

**2007** Simpson acquires Passage Community

Housing, a 17-unit apartment building providing transitional housing to families.

**2007** We begin providing services at Elliot Park apartments to eight long-term homeless families.

**2007** The Housing First program, which serves

families with multiple barriers to housing, brings the number of families served to 160.

additional single adults are placed into housing.

**2008** Spectrum Community Mental Health, in partnership with Simpson Housing Services, is awarded a four year annual grant of \$371,294 from the Federal Substance Abuse and Mental Health Services Administration

(SAMHSA). The award provides supportive housing services for 50 additional long-term homeless women with mental illness in Hennepin County.

*l to r:* Ben Reed, Simpson Board of Directors; Tom McGuire, St. Thomas the Apostle; Sheila Pierce, St. Thomas the Apostle; Julie Manworren, Simpson Executive Director; Bill Nolan, St. Thomas the Apostle.

The Simpson Community Volunteer Service Award honors volunteers who have made a substantial contribution to Simpson and the people we serve. The 2009 recipient, St. Thomas the Apostle, gathers furnishings for the new homes of families entering one of the Simpson transitional housing programs.

time to Simpson. This is the equivalent of 16 full-time employees.

**2009** Simpson Housing begins serving families at Third Avenue Townhomes in Minneapolis, a permanent supportive housing project for families with a disabled family member.

**2009** Simpson Housing Services is selected to receive the Minnesota Nonprofit Award for Excellence in a Large Organization.

**2009** Simpson Housing Services hosts the 25th annual Homeless Memorial March and Service.

Tracy, above, began volunteering with Simpson by serving dinner at the men's shelter with his church, First Universalist. "I was so amazed by the kindness of the men towards each other. No one would go up for second helpings until they knew everyone had eaten," he says.

He is now a regular volunteer for the overnight shift at the men's shelter.

Overnight volunteers provide an awake presence overnight and assist Simpson staff members with the overall running of the shelter. "I am envious of the strength of the shelter guests. I couldn't do it. Most will never have any idea of how they positively impact me as a volunteer of Simpson."

**2009** We serve a record number of people including: 1,972 men and 257 women in our shelters; 95 clients in Rapid Exit; 252 men and women in our single adult housing programs and collaborations; and 204 families with 516 children in our Family Housing programs and collaborations.

## our donors

We acknowledge the donors listed in this report whose gifts were received from January 1, 2009 through December 31, 2009.

We greatly appreciate the generosity and compassion of our donors. Your partnership allows us to serve the number of people experiencing homelessness that we do everyday of the year.

Recently, we received a thank you note from the mother of one of our women's shelter guests. We would like to share with you her thoughts:

"Thank you for your program and for what your workers have done. I pray you will always receive the funds you need to continue your 'people helping' endeavors."
